### Pastor's Corner:

Hello Brothers and Sisters in Christ!! I just received some exciting news. I was approved for an exemption from the hearing regulation at the U.S. Department of Transportation. This means I will be driving an UPS "brown truck" soon!!! Pray for me as I go through this new transition and that the next step will go smoothly. Praise the Lord! God is good!! All the time!!!

Our BDF Council has voted to start having monthly Bowling outings beginning in May. Also let's think about Camping sometime this Fall.

Please continue to pray for me and my family. Also pray for BDF to find a host church soon. God is good!! All the time!! God is good!!!

### BDF prays for our sick:

Please continue to pray for **Cathy Varner** as she was recently diagnosed with DCIS (cancer in duct glands). Right now she has to wait until her hematoma subsides before the surgeon can proceed with surgery.

Pray for **Necol Whitehead** as she is struggling with several health issues.

Continue to pray for **David Giles** during his struggling with seizure episodes.

**Praise the Lord!** **Tony Bradford** received good results from his recent CT Scan. It only shows that he has COPD which is already been under treatment.
